CONCRETE FORM BUILDER

PRE-APPRENTICESHIP APPLICATION PERIOD

APPLICATION DATES:

January 19th, 2026 – February 19th 2026

<https://mactc.org/>

The Mid America Carpenters Regional Council Apprenticeship and Training Program is pleased to announce that beginning Monday Jan 19th, 2026, it will begin accepting online applications for the upcoming Concrete Form Builder Pre-Apprenticeship.

Application Process:

Candidates 17 years or older MUST complete an online application, which will be available on our website at <https://mactc.org/> starting at 8AM, Jan 19th, 2026, and will remain open until 3PM Feb 19th, 2026, when the application period closes. At the time of submission, applicants must submit all required documents electronically and pay the \$25 non-refundable application fee.

Required Uploads for the Application:

- A valid driver's license or government issued state ID
- A high school diploma, GED, certificate, or high school transcripts (minimum 8 credits)
- An original Social Security card, a receipt showing a duplicate card has been requested, or
- An official IRS document confirming an ITIN#
- For veterans only: a DD214 form

Testing Information:

Once the application is completed, the applicant will receive an email with the testing dates. Successful completion of the testing process will provide entry into the Concrete Form Builder Pre-Apprenticeship Program.

Additional Requirements Before Starting the Program:

- Pass a drug test
- Be physically able to perform the work required for the trade (a doctor's note will be required).

Highway Construction Careers Training Program (HCCTP) at Black Hawk College

**Next class starts
February 23, 2026**

The Illinois Department of Transportation created this program to prepare people to work in the building trades and to increase the number of minorities, women and disadvantaged persons working on IDOT projects.

This program is at no cost to the participant. Like apprenticeships in the trades, this is an **"Earn While You Learn"** opportunity, paying \$15 per hour.

Students who are selected for the program will learn essential construction skills. During the 13 weeks of the class, students will work in the classroom, in the shop, and hands-on with projects in the community.

Interested in this program and a **career in construction**? Start by attending one of our orientation sessions.

Requirements:

- Seeking a career in the construction trades
- 18 years or older
- High school diploma or GED
- Valid driver's license
- Drug-free (tested)

Your Steps:

- Attend an Orientation Session
- Basic Math and Reading Test - follows immediately after the orientation
- Interview
- Drug testing

"The whole experience was a life changer, and I wish I would've done it years ago!" – Sabrina Duncan, HCCTP graduate, now a journey person in the Cement Masons Local #18. Here she is at work on the I-74 bridge in Moline.

HCCTP graduates are working in these trades:

Carpenters, Laborers, Cement Masons, Plumbers & Pipefitters, Painters, Ironworkers, Glaziers, Sprinkler Fitters, Millwrights, Operating Engineers, Sheet Metal Workers, and Electrical Workers.

This full-time, 13-week class will cover math, job/life skills, blueprint reading, OSHA, stick welding, construction equipment operation, and hands-on projects.

The first step is attending an Orientation Session at Black Hawk College main campus, Bldg. 2
6600 34th Ave., Moline:
Thursday, January 15th – 10 a.m.

at the American Job Center, 500 42nd St.,
Rock Island:
Wed., January 14th – 9 a.m.

Heavy Equipment & Maintenance Manager - Linwood Mining and Minerals

Linwood Mining and Minerals Corporation - Davenport, Iowa

Linwood is currently seeking a self-motivated, reliable and safety-oriented Shop Superintendent and **Heavy Equipment Manager**.

Our **Heavy Equipment Manager** is responsible for the maintenance, care and efficient operation of all heavy equipment used by the company. Each day, the role oversees the daily workflow, scheduling, and assignments of the 5-7 person maintenance team. A heavy focus is spent diagnosing and troubleshooting equipment issues, while also conducting preventative maintenance and ensuring the right parts are available to keep operations moving smoothly. When not dealing with high-priority issues, the manager works with the leadership team to negotiate new equipment prices, chooses vendors and analyzes future equipment needs. This role is also heavily involved in the creation and execution of the yearly equipment budget and maintaining equipment records. Our team operates under the highest safety standards and exhibits safe working habits.

What makes you successful in this position?

- Previous heavy equipment repair experience. Specifically, if you're comfortable with John Deere, Komatsu and Caterpillar mining or construction equipment.
- Ability to troubleshoot effectively. Preference given to candidates who can read blueprints and have some hydraulic and electrical repair experience.
- Management experience leading a team of service technicians, mechanics or similar role.
- Team player mentality and the desire to be a part of a successful, hard-working team.
- Flexibility. No two days will be the same, as our operations are continually moving and changing.

This position works Monday to Friday from 6:00am to 3:00pm each day but requires some flexibility depending on current projects/issues. This position must possess a high school diploma, valid driver's license, and the ability to pass a pre-employment drug screen and physical.

Linwood Mining and Minerals Corporation is committed to equal employment opportunities and all candidates will be evaluated based qualification. Applicants – click [HERE](#) to access Employee and Employer Rights and Obligations under FMLA.

Apply online at <https://mcbcorp.bamboohr.com/careers/506>

Maintenance Tech

Full Time

E10, Moline, IL, US

Salary Range: \$20.00 To \$24.00 Hourly

ACCOUNTABILITY

The Maintenance Tech is responsible for helping maintain the overall operation of the maintenance department and the appearance and working order of the hotel. The assistant must be able to work independently, as well as with others, and under the direction of the Maintenance Manager. Responsibilities include maintaining the exterior of the building, parking lot, and common areas, driving shuttle vans as needed, maintaining all equipment in guest rooms, and working with vendors. The Maintenance Assistant must be willing to respond to emergencies, even after hours, and work with corporate maintenance on special remodeling projects or capital expenditure needs. This position requires overall maintenance knowledge and troubleshooting ability with skills in painting, HVAC, carpentry, equipment, and tool usage. The responsibility of this position is managing specialized work efficiently, with confidence and competence. The position requires above-average attention to detail, concern for the exact correctness of work, and a strong commitment to tasks completed on time.

WHAT TO EXPECT

Routine Maintenance: Perform regular inspections and maintenance tasks on various systems and equipment throughout the hotel, including HVAC systems, plumbing, electrical systems, and lighting.

Repairs: Diagnose and repair issues with hotel facilities, such as leaky faucets, malfunctioning appliances, broken HVAC units, and faulty electrical systems.

Preventive Maintenance: Implement preventive maintenance programs to identify and address potential problems before they become major issues. This includes tasks like changing air filters, lubricating equipment, and inspecting fire safety systems.

Room Maintenance: Ensure that guest rooms are in excellent condition by addressing issues such as broken fixtures, malfunctioning appliances, and plumbing problems promptly.

Painting and Carpentry: Perform painting and carpentry tasks to maintain the appearance of the hotel, including patching and painting walls, repairing or replacing furniture, and fixing damaged woodwork.

Pool Maintenance: Responsible for ensuring their cleanliness and proper functioning. This includes maintaining water quality, cleaning, and servicing filters, and addressing any issues with pumps or heaters.

Grounds Maintenance: Maintain the hotel's exterior, including landscaping, sidewalks, parking lots, and outdoor lighting. This may involve tasks such as mowing lawns, trimming bushes, and removing snow or ice.

Emergency Repairs: Respond to emergency maintenance requests promptly, such as plumbing leaks, electrical outages, or HVAC failures, to minimize guest inconvenience.

Inventory Management: Keep track of maintenance supplies, order necessary materials and parts, and manage inventory to ensure that essential items are always available when needed.

Safety Inspections: Conduct regular safety inspections to identify and address potential hazards, such as faulty wiring, loose handrails, or slippery floors.

Compliance: Ensure that the hotel complies with relevant safety codes and regulations, including fire safety, building codes, and health regulations.

Record Keeping: Maintain detailed records of maintenance activities, repairs, and inspections for future reference and compliance purposes.

Vendor Management: Coordinate with external contractors and vendors for specialized repairs or services that are beyond the scope of in-house maintenance capabilities.

Guest Interaction: Maintain a professional and courteous demeanor when interacting with guests and address any guest maintenance requests promptly and efficiently.

Foundational Skills and Qualities: Strong organizational skills to manage tasks and prioritize work. Good physical stamina and the ability to perform physical tasks such as lifting and bending. Ability to work effectively in a fast-paced and dynamic environment.

Work Expectations and Responsibilities: Willingness to adapt to a variety of tasks, including "Other duties as assigned." Participate in department meetings and maintain an open line of communication with colleagues. Obtain any required certifications necessary, as relevant to the specific job.

PROUD OWNER

Attention to detail and a commitment to safety and cleanliness.

Ability to work independently and efficiently.

Strong organizational skills to manage tasks and prioritize work.

Good physical stamina and the ability to perform physical tasks such as lifting and bending.

Ability to work effectively in a fast-paced and dynamic environment.

- Monitors gauges and equipment, as required; notifies operator or any problems or potential problems.
- Detects faulty equipment, makes minor repairs, and notifies maintenance personnel of any equipment malfunctions; takes proper steps to protect plant equipment in case of an emergency.

- Assists in monitoring and adjusting plant equipment, including, pumps, valves, clarifiers, blowers, and drains to plant is in proper working order.
- Ensuring routine maintenance and cleaning is completed on sewer plant equipment.
- Utilizes and wears proper protective safety gear and equipment.
- Performs "confined space" duties.
- Transferring sludge from digester to digester or mix tank pump scum pits.
- Assists maintenance personnel in restoring processes and equipment to operational conditions.
- Operates city-owned vehicles, including trucks and backhoes.
- Operates personal computer by inputting data.
- Operates various power tools and hand tools including; mowers, weed eaters, snowblowers and shovels.
- Maintains the wastewater plant by cleaning, sweeping, hosing floors, cleaning clarifiers and buildings

Minimum Qualifications:

Any equivalent combination of training and experience which provides the required knowledge, skills and abilities.

Education and Training:

Equivalent of a High School Diploma

License or Certifications:

Valid Driver's License

IEPA Licensure Optional

Experience:

Previous experience or course work in wastewater treatment is desired.

Knowledge and Abilities:

The following generally describes the knowledge and ability required to enter the job and/or be learned within a short period of time in order to successfully perform the assigned duties.

Knowledge of:

- Knowledge of plant processes, flow patterns, controls, and the operation of all treatment equipment.
- Knowledge of OSHA regulations, EPA regulations and safe work practices.
- Knowledge of the function of hand and power tools.
- Ability to ensure safe work environment.
- Ability to utilize a personal computer and understand software and programs utilized in performing duties.

Ability to:

- Ability to utilize a personal computer and understand software and programs utilized in performing duties.

- Ability to safely handle various process chemicals, recognize potential hazards, and employ proper procedures and safety equipment.
- Ability to react quickly and make independent decisions regarding various operating conditions.
- Ability to understand and follow oral and written instructions.
- Ability to work in inclement weather conditions.
- Ability to effectively communicate with those contacted throughout the course of the workday.
- Ability to maintain effective working relationships with other departments, agencies, employees, supervisors and the public.

Working Conditions:

The conditions herein are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential job functions

Physical Requirements and Work Environment:

There is frequent need to stand, walk and climb; there is need to sit, twist, bend, stoop, talk or hear, use hands to fingers, lift up to and over fifty (50) pounds, and perform other similar actions during the course of the workday. Works closely with hazardous chemicals and materials, mechanical parts, and slow-moving equipment. Position requires climbing ladders and working in confined spaces. Position is subject to overtime and emergency call out. The City of East Moline promotes a drug/alcohol free work environment through the use of mandatory pre-employment drug testing.
